

Ride with safety, Ride with style!

Premier Designs proudly offers these exciting new Bike Flag design categories that will inspire your customers to be safe and customize their ride.

SoundWinds™

- SoundWinds™ Bike Flags feature handcrafted appliqué construction. Many intricately joined sections of fabric via handcrafted sewing result in excellent durability and spectacular colors.
- Made with Premier's exclusive SunTex™ fade resistant fabric.
- All SoundWinds Bike Flags come with a 6mm shock corded pole.
- Available in over 60 designs!

Swimming Fish

- Our Swimming Fish Bike Flags have a 3-D shape and a unique swimming movement while riding!
- All Poles included.
- Poles feature exclusive "transitioning diameters" for increased stiffness with reduced weight.
- Many styles to choose from!

Feather Banner

- Handcrafted appliqué with ripstop polyester features a beautiful stained glass effect during daytime riding.
- All poles included.
- Poles feature three-piece shock corded construction with pole clamp to strongly secure flag to pole.

Apex

- Our Apex line of Bike Flags feature colorful printed designs on durable fade resistant fabric.
- Built with high visibility reflective binding and reflective top tassel for flags increased nighttime visibility.
- All poles included.
- Poles feature three-piece shock corded construction with pole clamp to strongly secure flag to pole.

Tri-Stack

- Our Tri-Stack Bike Flags feature colorful printed designs on durable fade resistant fabric.
- All include high visibility reflective binding and reflective top tassel for increased nighttime visibility.
- All poles included.
- Poles feature three-piece shock corded construction with pole clamp to strongly secure flag to pole.

Windicator™

- Windicators™ Bike Flags feature 3-D ram-air inflated bodies and are available in a huge range of pets and animal designs.
- All Poles included.
- Poles feature exclusive “transitioning diameters” for increased stiffness with reduced weight.

Our Bike Flags are built to last!

Constructed with durable UV resistant fabrics, sturdy fiberglass poles and adjustable flag clamps, these flags will provide many miles of safe visible riding.

All of our banner style flags include shock corded 6mm poles for ease of assembly and secure riding.

3-D animal style flags feature sturdy 9.5mm-to-8mm base support poles for a stiffer, more vertical presentation.

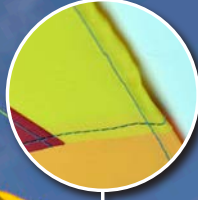

Reinforced Stress Points

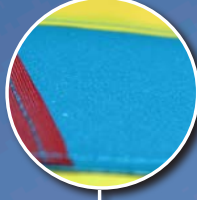

All Weather, UV Resistant SunTex™ Fabric

Fully Rolled Hemmed Edges

Some Models Include Industrial Reflective Fabric for Nighttime Safety

Heavy Duty Leading Edge

Our exclusive adjustable Steel Band Clamp secures flag to pole. (pole-to-bike frame brackets sold separately)
